## WORK EXPERIENCE

**Free Lance Music Video Editor/Director** 2021 - Present

I started creating music videos in our area, where I visually showcase the crafted songs/rap of my friend, as well as some local rap artists. The very first music video I made was for Dyll G's song - "Ako Lang," followed by other songs. In February 2022, their song "Sinag" by Dsaint and Kaela clinched the first-place spot at their school.

**Commission On Audit** 2019

In senior high school, I participated in an On-the-Job Training (OJT) or internship with the Commission on Audit (COA). My role there was as an encoder, and I carried out various tasks as instructed by my supervisor.

**JMAC** 2022

I worked as a working student at JMAC Aircondition Services to support some of my needs. My role there primarily involved encoding tasks.
